

SEO Company Los Angeles – Rank Faster & Higher With FreshSEOCompany

Every day, businesses throughout Southern California go online to search "SEO company Los Angeles."

Many of these businesses are fighting a losing battle in the game of search engine optimization. **Some have already spent thousands of dollars working with questionable companies overseas.** Meanwhile, their rankings have barely moved at all – or they've gotten worse – while their competitors are sitting high on the first page of Google, gobbling all the traffic.

Can Help You Grow
Your Business >>>**

Other businesses searching for "[SEO company Los Angeles](#)" still only have a basic idea of what SEO is or how it works. They understand the importance of ranking at the top of search engines, but they have no realistic expectations on how to get them there. **And that's exactly the type of businesses that the shady Internet optimization companies prey on.**

Before you invest one penny in SEO services, it's crucial that you understand the unique challenges of ranking higher on Google – and the strategies needed to overcome them. That's where **FreshSEOCompany** comes in.

Results-Driven Los Angeles SEO Company

FreshSEOCompany is bringing clarity – and trackable results – to the SEO industry. We help businesses throughout the Los Angeles area, and around the country, achieve their search

ranking goals with strategies and technology that are proven to work.

If you found us by searching "[SEO Company Los Angeles](#)," let us show you why we're different from every other agency in the LA area.

→ **Transparency**

- First and foremost, we are clear about the strategies we use and will never leave you in the dark about the status of your campaigns. We are here to answer your questions and ensure you actually see the value of our efforts. Every client has a dedicated account manager to explain how we execute our strategies and keep them updated on their results.

→ **Adaptive Ranking Technology®**

- Here's the single biggest reason why most other optimization companies fail to deliver results to their clients: they're using old, outdated strategies that simply don't work anymore. Search engines like Google make hundreds of changes to their algorithms every year. **FreshSEOCCompany** uses its own Adaptive Ranking Technology, which constantly analyzes the market for key factors affecting search results and adapts accordingly.

Adaptive SEO Technology

For over a decade we've been developing our Adaptive Ranking Technology® (ART) to adapt as organic search engine optimization signals change.

→ **Social Signals**

- Many Internet marketing companies separate SEO and social media into 2 separate services. But the fact is, the two are directly linked – social media has become one of the most important factors affecting search results. We integrate our optimization strategies with social efforts on Facebook, Twitter and Google+ to give search engines the social signals they're looking for.

→ **Premium Quality Services**

- Link-building, content creation, on-page optimization, competitive analysis – everything we do is done with precision and care. We take your business very seriously. Our professionals are among the best in the industry and they know what it takes to not only get results with SEO but also solidify your brand online.
